The Telegraph Dept has already opened a Departmental Exchange from 13.4.1922 at Bellary. The I.G.'s proposal to have the residence of the D.S.P. Bellary connected with the Exchange may perhaps be approved. Before approving the proposal the Director Tel Engineering may perhaps be requested to say what the annual rental would be according to the revised rates as the amount quoted by the I.G. seems to be one quoted before the introduction of new rates.
